| <b>Occupation</b>                        | Bricklayer  |
| <b>Qualification</b>                     | Certificate III in Bricklaying/Block Laying   |
| <b>Qualification code</b>                | BCG30103  |
| <b>Description</b>                       | Bricklayers lay bricks, pre-cut stone, concrete blocks and other types of building blocks in mortar to construct and repair walls, foundations, partitions, arches and other structures. This is the entry point for Apprentice Bricklayers and provides people with a range of core and underpinning skills and knowledge relevant to work in this field.  |
| <b>Qualification Structure and Rules</b> | <p>To obtain this qualification all 21 core competency units and six elective competency units must be achieved.</p> <p>Core competency units cannot be substituted. However, a maximum of one elective may be substituted by selecting a relevant competency unit from another qualification within the General Construction Training Package or from another endorsed Training Package.</p>   |
| <b>Notes</b>                             | <p><b>This is a sample training program only</b> and is appropriate for a person working as a Bricklayer in the Construction Industry.</p> <p>The electives listed comply with the General Construction Training Package (BCG03) structuring rules. Total qualification hours will of course vary according to actual electives undertaken.</p> <p>For information on choosing alternative units that are not listed in this sample program refer to the qualification structures and rules within the General Construction Training Package (BCG03), available on the <a href="#">National Training Information Service Website</a>.</p> |
