

| Code | Title | Rationale for deletion |
|----------|--|---|
| BCF2002A | Move sheet glass by hand | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2004A | Layout signs | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2005A | Use colour matching for signwriting | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2006A | Construct a sign | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2007A | Install signs | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2008A | Sign site survey | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2011A | Use computers | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF2014A | Manually cut glass to simple shapes | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3000A | Maintain static machinery Title | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3001A | Set up static machinery | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3003A | Identify stair construction and the factors governing stair design | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3004A | Set out stairs | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3008A | Identify window and door construction | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3009A | Setting out of windows and doors | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3010A | Manufacture components for door and window frames, doors and sashes | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3011A | Assemble (door/windows) | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3012A | Setting out cabinets, showcases, wall units, counters and work stations | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3013A | Assemble cabinets, showcases, wall units, counters and work stations | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3014A | Prepare aluminium for assembly | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3015A | Assemble aluminium framework | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3016A | Set out shopfronts, commercial entries, bulkheads and component fittings | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |

| | | |
|----------|---|---|
| BCF3017A | Fabricate shopfronts, commercial entries, bulkheads, including component fittings | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3018A | Assemble/install shopfront, commercial entries, bulkheads, including components | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3020A | Materials handling | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3024A | Install internal lining | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3027A | Lay stair and floor surfaces | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3029A | Apply water gilding – glass | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3032A | Mould plastic formed signs | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3033A | Deliver and install signs | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3037A | Set out and level | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3042A | Mark off/out | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3044A | Tack weld fabricated components | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3046A | Manufacture re-locatable buildings - framing | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3047A | Manufacture re-locatable buildings - finishing | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3048A | Construct cooling towers | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3049A | Manufacture aluminium grills and louvres | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3050A | Construct cold rooms | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3051A | Cut material manually | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3054A | Apply graphics using pressure sensitive films | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3055A | Apply graphics to illuminated signfaces | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3056A | Produce C.A.M. signs – vinyl | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3057A | Produce C.A.M. signs – digital | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |

| | | |
|------------|---|---|
| BCF3058A | Produce C.A.M. signs – 3 dimensional | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCF3069A | Styles of architecture | Unit from BCF00 Off-Site Construction Training Package replaced by amended construction unit or amalgamated with relevant existing units into a new unit. |
| BCG2003B | Install and finish plasterboard and fibre cement sheeting to flat walls and ceiling | Unit from BCG03 General Construction Training Package replaced by other plasterboard units in new Certificate III in Wall and Ceiling Lining. |
| BCG3050A | Renovate and restore stone work | Unit from BCF00 Off-Site Construction Training Package superseded in packaging of the Stonemasonry qualification. |
| BCG3053A | Produce reconstituted stone | Unit from BCF00 Off-Site Construction Training Package superseded in packaging of the Stonemasonry qualification. |
| BCG3056A | Construct stone arches | Unit from BCF00 Off-Site Construction Training Package superseded in packaging of the Stonemasonry qualification. *** |
| BCGVE2001B | Produce construction drawings | Unit from BCG03 General Construction Training Package not required as an elective in revised Certificate I in Construction. |
| BCGWC2001B | handle wall and ceiling lining materials | Unit from BCG03 General Construction Training Package replaced by other plasterboard units in new Certificate III in Wall and Ceiling Lining. |
| BCGWC2002B | use wall and ceiling lining tools and equipment | Unit from BCG03 General Construction Training Package replaced by other plasterboard units in new Certificate III in Wall and Ceiling Lining. |
| BCGWC3001B | Install wet area lining systems | Unit from BCG03 General Construction Training Package replaced by other plasterboard units in new Certificate III in Wall and Ceiling Lining. |
| BCGWC3004B | Install cast plaster and paper faced cornices | Unit from BCG03 General Construction Training Package replaced by other plasterboard units in new Certificate III in Wall and Ceiling Lining. |
