CPC31808	Certificate III in Shopfitting	BCF30100	Certificate III in Off-Site Construction (Shopfitting)	Updated qualification from BCF00 Off-Site Training Package. Has restructured packaging, using specialist shopfitting and general construction units.	This qualification incorporates some units of competency in previous BCF00 Off-Site Training Package qualifications: Certificate III in Off-Site Construction (Machining) and Certificate III in Off-Site Construction (Pre-fabrication). These qualifications were not widely used and to some degree are replicated in other Training Packages so have been removed from the Training Package. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31908	Certificate III in Joinery	BCF30200	Certificate III in Off-Site Construction (Joinery – Timber/Aluminium/Glass)	Updated qualification from BCF00 Off-Site Construction Training Package. Has restructured packaging using specialist joinery, shopfitting and general construction units.	This qualification incorporates some units of competency in previous BCF00 Off-Site Training Package qualifications: Certificate III in Off-Site Construction (Machining) and Certificate III in Off-Site Construction (Pre-fabrication). These qualifications were not widely used and to some degree are replicated in other Training Packages so have been removed from the Training Package. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32208	Certificate III in Joinery (Stairs)	BCF30300	Certificate III in Off-Site Construction (Stairs)	Updated qualification from BCF00 Off-Site Construction Training Package. Has restructured packaging using specialist stair building, joinery and general construction units.	This qualification incorporates some competencies in previous BCF00 Off-Site Training package qualifications: Certificate III in Off-Site Construction (Machining) and Certificate III in Off-Site Construction (Pre-fabrication). These qualifications were not widely used and to some degree are replicated in other Training Packages so have been removed from the Framework. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32308	Certificate III in Stonemasonry (Monumental/Installation)	BCF30600	Certificate III in Stonemasonry (Monumental/Installation)	Updated qualification from BCF00 Off-Site Construction Training Package. Has restructured packaging using specialist stonemasonry and general construction units.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC10108	Certificate I in Construction	BCG10103	Certificate I in General Construction	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. One unit on undertaking a construction project moved from elective to core. New OHS induction code unit has been added.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC20108	Certificate II in Construction	BCG20103	Certificate II in General Construction	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.

Code	Title	Previous code	Previous Title	Relationship to qualifications in previous Training Package	Comments in relation to previous versions of this Training Package
CPC20308	Certificate II in Steelfixing	BCG20206	Certificate II in Steelfixing	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Update of packaging based on review consultation advice.	This qualification was added to the BCG03 General Construction Training Package in October 2006 as part of the COAG initiated development of intermediate construction qualifications. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC20408	Certificate II in Concreting	BCG20306	Certificate II in Concreting	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Update of packaging based on review consultation advice. Addition of CPCC3006A Carry out repair and rectification of concrete to electives.	This qualification was added to the BCG03 General Construction Training Package in October 2006 as part of the COAG initiated development of intermediate construction qualifications. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC20508	Certificate II in Stoneworking	BCG20406	Certificate II in Stonemasonry	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Update of packaging based on review consultation advice and replacement of unit CPCCJN3001A Use static machines with CPCCST3006A Machine stone.	This qualification was added to the BCG03 General Construction Training Package in October 2006 as part of the COAG initiated development of intermediate construction qualifications. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30108	Certificate III in Bricklaying/Blocklaying	BCG30103	Certificate III in Bricklaying/Blocklaying	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30208	Certificate III in Carpentry	BCG30203	Certificate III in Carpentry	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30308	Certificate III in Concreting	BCG30303	Certificate III in Concreting	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has a new elective high risk work licensing unit included	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30408	Certificate III in Demolition	BCG30403	Certificate III in Demolition (General Construction)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30508	Certificate III in Dogging	BCG30503	Certificate III in Dogging	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has a new core high risk work licensing unit included	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.

Code	Title	Previous code	Previous Title	Relationship to qualifications in previous Training Package	Comments in relation to previous versions of this Training Package
CPC30608	Certificate III in Painting and Decorating	BCG30603	Certificate III in Painting and Decorating	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has two units in decorative painting techniques split and enhanced: advanced decorating in the bank of elective units, as well as a new unit for application of intumescent coatings. Critical aspects of evidence updated in several units to require completion of 6 square metres of surface from previous 8 square metres.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30708	Certificate III in Rigging	BCG30703	Certificate III in Rigging	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has two new core high risk work licensing units included	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30808	Certificate III in Roof Tiling	BCG30803	Certificate III in Roof Tiling	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC30908	Certificate III in Scaffolding	BCG30903	Certificate III in Scaffolding	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has two new core high risk work licensing units included	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31008	Certificate III in Solid Plastering	BCG31003	Certificate III in Solid Plastering	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31108	Certificate III in Steel Fixing	BCG31103	Certificate III in Steel Fixing	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31208	Certificate III in Wall and Ceiling Lining	BCG31203	Certificate III in Wall and Ceiling Lining	Updated qualification from previous BCG03 General Construction Training Package. Combines the previous Certificate III in Wall and Ceiling Lining (Plasterboard) developed as part of the COAG initiated intermediate qualifications development. Units from both previous qualifications have been combined in a restructured core and elective model.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.

CPC31308	Certificate III in Wall and Floor Tiling	BCG31303	Certificate III in Wall and Floor Tiling	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31408	Certificate III in Construction Waterproofing	BCG31403	Certificate III in Waterproofing (General Construction)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Three waterproofing-specific units of competency are now core, whereas the previous qualification only required completion of one of the three. 'General Construction' in qualification title removed.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31508	Certificate III in Formwork/Falsework	BCG31506	Certificate III in Formwork/Falsework	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Update of packaging based on review consultation advice.	This qualification was added to the BCG03 General Construction Training Package in October 2006 as part of the COAG initiated development of intermediate construction qualifications. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC31708	Certificate III in Low Rise Structural Framing	BCG31706	Certificate III in Low Rise Structural Framing	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Update of packaging based on review consultation advice.	This qualification was added to the BCG03 General Construction Training Package in October 2006 as part of the COAG initiated development of intermediate construction qualifications. The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40108	Certificate IV in Building and Construction (Building)	BCG40106	Certificate IV in Building and Construction (Building)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has additional advice on State and Territory builder licensing requirements in qualification notes	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40208	Certificate IV in Building and Construction (Contract Administration)	BCG40206	Certificate IV in Building and Construction (Contract Administration)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40308	Certificate IV in Building and Construction (Estimating)	BCG40306	Certificate IV in Building and Construction (Estimating)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40408	Certificate IV in Building and Construction (Sales)	BCG40406	Certificate IV in Building and Construction (Sales)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.

Code	Title	Previous code	Previous Title	Relationship to qualifications in previous Training Package	Comments in relation to previous versions of this Training Package
CPC40508	Certificate IV in Building and Construction (Site Management)	BCG40506	Certificate IV in Building and Construction (Site Management)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40608	Certificate IV in Building and Construction (Specialist Trades)	BCG40606	Certificate IV in Building and Construction (Specialist Trades)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes. Has four new elective high risk work licensing units included. Has new advice on pre-requirements for Heritage restoration and Refractory bricklaying streams.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40708	Certificate IV in Building and Construction (Trade Contracting)	BCG40706	Certificate IV in Building and Construction (Trade Contracting)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC50108	Diploma of Building Surveying	BCG50103	Diploma of Building Surveying	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC50208	Diploma of Building and Construction (Building)	BCG50206	Diploma of Building and Construction (Building)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC50308	Diploma of Building and Construction (Management)	BCG50306	Diploma of Building and Construction (Management)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC60108	Advanced Diploma of Building Surveying	BCG60103	Advanced Diploma of Building Surveying	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC60208	Advanced Diploma of Building and Construction (Management)	BCG60206	Advanced Diploma of Building and Construction (Management)	Updated qualification from previous BCG03 General Construction Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC20708	Certificate II in Drainage	BCP20103	Certificate II in Drainage	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC20808	Certificate II in Metal Roofing and Cladding	BCP20203	Certificate II in Metal Roofing and Cladding	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC20908	Certificate II in Urban Irrigation	BCP20303	Certificate II in Urban Irrigation	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.

Code	Title	Previous code	Previous Title	Relationship to qualifications in previous Training Package	Comments in relation to previous versions of this Training Package
CPC32408	Certificate III in Plumbing	BCP30103	Certificate III in Plumbing	Revised qualification from previous BCP03 Plumbing and Services Training Package. The packaging requirements have been changed on industry advice to now identify two mandatory streams of the minimum four streams required to complete the qualification -Water and Sanitary. TheRoofing stream also has 8 instead of 9 core units and Water stream 23 instead of 24 core units.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32508	Certificate III in Plumbing (Mechanical Services)	BCP30203	Certificate III in Plumbing (Mechanical Services)	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32608	Certificate III in Roof Plumbing	BCP30303	Certificate III in Roof Plumbing	Revised qualification from previous BCP03 Plumbing and Services Training Package. The packaging requirements are 21 core units instead of the previous 20 and 4 elective units, instead of the previous 10.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32708	Certificate II in Metal Roofing and Cladding	BCP30403	Certificate III in Gas Fitting	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32808	Certificate III in Fire Protection	BCP30503	Certificate III in Fire Protection	Revised qualification from previous BCP03 Plumbing and Services Training Package. Packaging has been amended to reflect Extinguishing Agent Handling Licences as follows: Addition to core unit requirements of three units imported from CPP07 Property Services Training Package PRMPFS25C Inspect, test and maintain gaseous fire suppression systems PRMPFS43A Prevent ozone depleting substance and synthetic greenhouse gas emissions PRMPFS47A Inspect and test control and indicating equipment.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC40908	Certificate IV in Plumbing and Services	BCP40106	Certificate IV in Plumbing and Services	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC50408	Diploma of Plumbing and Services	BCP50106	Diploma of Plumbing and Services	Updated qualification from previous BCP03 Plumbing and Services Training Package. Same essential outcomes.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.

Code	Title	Previous code	Previous Title	Relationship to qualifications in previous Training Package	Comments in relation to previous versions of this Training Package
CPC20208	Certificate II in Construction Pathways	New		New qualification developed to provide a pre-vocational pathway into various trade areas at Certificate III level. Uses units aligned to other Certificate II and III qualifications to introduce learners to a range of basic skills and industry requirements.	
CPC31608	Certificate III in Paving	New		New qualification to meet the needs of specialist pavers. Includes five new paving-specific units and draws on existing construction units for completion.	The qualification code stem has been updated to reflect the new Integrated Framework and the end numeric for the year has been changed to '08'.
CPC32008	Certificate III in Carpentry and Joinery	New		New qualification to meet the needs of jurisdictions that still have this joint trade outcome. Uses units from Carpentry and Joinery Certificate III qualifications in a flexible packaging arrangement.	
CPC32108	Certificate III in Signage	New		New qualification to meet the needs of the signage industry. Includes updated units from general and previous sign industry qualifications, plus six new units reflecting new technologies used in the industry.	This qualification replaces three previous BCF00 Off-Site Construction Training Package qualifications. These were Certificate III in Off-Site Construction (Sign Writing/Computer Operation), Certificate III in Off-Site Construction (sign Manufacture) and Certificate III in Off-Site Construction (Neon Manufacture).
CPC40808	Swimming Pool and Spa Building	New		New qualification to meet industry demand and regulatory requirements. The qualification is based on the Certificate IV in Building and Construction (Building) with three new core units specific to swimming pool and spa building.
